

BENSALEM B.A.S.E

Before & After School Explorers

B.A.S.E has child care in all six elementary schools in Bensalem School district.

Benjamin Rush, Valley Elementary, Belmonts Hills, Cornwell's Elementary, Samuel K Faust, Russell C Struble.

Each year the kids pick a cause to make projects for, then donates the things they make.

This year they picked making comfy beds for dogs and cats in shelters in the area.

With over 300 kids enrolled there were many little hands cutting, stuffing, and tying knots of love into each bed.

We all hope the wonder volunteers at Trenton Cats Rescue will pick the perfect bed for the perfect cat and send them on to their new home in style.

Sincerely

Directors

Valerie Clark & Melinda Galan
